

REMARKS

Claims 1-37 are pending in the application.

Double Patenting Rejection

The Patent Office rejected claims 1-37 on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-33 of U.S. Patent No. 6,724,351 in view of U.S. Patent No. 4,954,970 by Walker et. al., (Walker).

Applicant respectfully traverses. However, a terminal disclaimer is submitted with this response obviating the double patenting rejection.

CONCLUSION

In light of the forgoing, reconsideration and allowance of the claims is earnestly solicited.

Respectfully submitted,

Gateway, Inc.
